Scholarship Application

OfficeMax Scholarship Fund

This annual, non-renewable $5,000 scholarship is awarded to a full-time, undergraduate student with at least 30 earned credits at Cal U who is majoring in Accounting, Business Administration, Finance or Management. The scholarship is based on the student's academic performance (3.5 GPA or higher), demonstrated financial need, scholarship essay, and faculty references. **Interested students must submit a 500-word essay indicating education and career goals, how this award will be beneficial to the students' long-range plans, and why they feel they are the most qualified applicant for the scholarship. In addition, students must submit two letter of recommendation from faculty members within the business department. Scholarship application, essay, and two letters of recommendations are to be submitted to the Financial Aid Office by March 1.**
