

Introduction to the PennBid e-Bidding System FOR SUPPLIERS/VENDORS

FREE WEBINAR | JULY 25, 2024 | 1:30-3:00p

PennBid is an online sealed bid platform that is utilized by over 1,600 public agencies and A&E firms across Pennsylvania to post solicitations and receive bids.

The PA APEX Accelerator network is co-sponsoring this NO-FEE webinar session to help educate our clients and those interested on how the PennBid platform works for registered suppliers to find and bid on opportunities.

This session will review the process of submitting a bid on the current PennBid eProcurement bidding platform. Participants will:

- **Learn how to register to use the system as a Supplier/Vendor**
- **Learn the fundamentals of how to submit on a typical opportunity in PennBid**
- **Understand best practices when submitting bids**
- **Be given links to a variety of helpful resources**
- **Be able to ask questions on areas of interest**
