

Curriculum Vitae

Michael L. Hummel, Ph.D.
(412) 715-5641

Current/Recent and Past Positions and Activity

Current Positions:

Full Tenured Professor of Criminal Justice and Security Studies, California University of Pennsylvania. Professor of Doctoral Studies in Criminal Justice---2005 to Present

Owner, Shield (Close Protection) Security and Investigations.

Police Officer: Charleroi and Monessen Pennsylvania.

Senior Instructor/Advisor *See certifications and schools attended.

Past Positions:

Coordinator of the Certified ACT120 PA Police Academy at Cal. U.

Director of Global Online Bachelor of Science in Criminal Justice, with a concentration in Homeland and International Security.

Dean, College of Liberal Arts, California University of Pennsylvania

Director of the University Leadership Studies Program (Minor) and Leadership Institute

Director of the Performance Assurance and Safety Division (PASD) for Wackenhut Security and Law Enforcement Services and the Department of Energy. I was responsible for five Departments within the Division: Safety Department, Quality and Audit Department, Performance Testing and Assessment Department, Program Review and Analysis Department, and the Department of Environmental Health and Safety. The PASD is responsible for the comprehensive oversight for Nuclear Material Security, Law Enforcement and Anti-Terrorism Operations at the Department of Energy's Savannah River Nuclear Material Site. There are approximately 12,000 employees that work at the Savannah River Nuclear Material Site. The company has approximately 900 security, support and law enforcement personnel, comprised of over 700 qualified police officers, personal and physical security officers, 11 Dog K-9 department, a police helicopter aviation department with two helicopters, river boat-patrol department with three boats, several special response teams, training division, and approximately a 200 person support staff. We were responsible for all law enforcement, anti-terrorism and special nuclear material security on a 310 square-mile nuclear materials facility: *Top Secret Security Clearance required for this position.

Adjunct Professor, Doctorate of Management Program, Homeland Security, CTU.
Professor, Course Developer, and Dissertation Advisor.

Adjunct Professor for the University of Pittsburgh Graduate School of Public and International Affairs: Responsible for the development, instruction, and maintenance of elective courses, Homeland Security, and Terrorism in the Administration of Justice and Public Service Department, Graduate School of Public and International Affairs.

Assistant Professor of Political Science at the United States Military Academy, West Point and served as Program Director of the Research Methodology course which encompasses extensive study in quantitative analysis/statistics. Research focused on Counter Drug Policy, Terrorism and Security Operations. Served as a Leadership lecturer in the USMA honors program.

Formal Education

Ph.D., Columbia University Graduate School of Arts and Sciences, New York, 2000. Department of Social Sciences/Organization and Leadership: Concentration in Public Administration and Public Policy. The program at Columbia requires extensive real-world research on Government operations. My policy research primarily focused on justice, security, politics, and education/training policy.

Masters of Philosophy, Columbia University, New York, 2000. Principle Coursework and Research Areas: Public Administration and Public Policy. Conducted Research Studies on the Effectiveness of First Time Criminal Offender Boot Camps and the Effectiveness of Drug and Alcohol Awareness Programs.

Masters of Public Administration, Columbia University School of International and Public Affairs (SIPA), New York, 1997. Public Policy and Public Administration. Principle Coursework and Research Areas: Conducted Research Work for the New York City Police Department on Juvenile Curfew Policy, Purchasing Policy for High Cost Police Equipment, and Improving Police and Community Relations. This degree included a heavy focus and study of the Total Quality Management concept for business or government and police operations, leadership, and advanced policy evaluation and analysis to form policy or program decisions in government organizations.

Bachelor of Science, University of the State of New York 1994. Principle Coursework and Research Areas: Criminal Justice/Police Operations.

Associate of Science, Troy State University, 1986. Principle Coursework and Research Areas: Criminal Justice/Police Operations.

Additional Education and Work Experience: Present---1981

Retired Military Police Officer with 22 Years of Military Service in Key Leadership Positions:

***Commander of a Law Enforcement Unit:** Responsible for over 150 military police and civilian members of the unit, conducting continuous law enforcement and public safety operations for over 50,000 residents and employees at Ft. Campbell, KY. Law Enforcement Company included all elements of a large police department: K-9 Section that included 11 dogs both bomb and drug, Police Investigation Section, SRT/SWAT, Traffic Investigation Section, Patrolling Section, Bike Patrol Section, Holding Cells, Vehicle Registration Section, Game Warden Section, Animal Control Section, Desk Sergeant Operations, DARE section, Crime Prevention Section, and a large support structure, and worked closely with the Criminal Investigation Command (CID) at the Regional Office at Ft. Campbell, KY.

***Executive Officer:** Responsible for the planning and administration of company logistic and support operations that included: physical security, safety, environmental impact, performance evaluations, ensuring high quality operations, transportation, logistics, budget, special projects, operations, training, keeping the commander informed on all aspects of the company's operations, and represented the commander in his absence.

***Operations Training Officer of a Law Enforcement Unit:** Responsible for the planning and training of over 400 military police officers with various law enforcement missions. This included unit performance evaluations, safety assessments of high-risk operations, reviewing risk-assessment plans such as air assault operations and close-quarter battle live fires, and ensuring high quality standards during operations.

***Special Reaction Team Commander:** Responsible for the training, planning, safety, evaluation and execution of a 21 person Special Reaction Team (SRT) to high-risk situations.

Assistant Professor of Political Science: Course Director of Research Methodology and Bureaucratic and Organizational Politics and Chief Academic Counselor for the Department of Social Sciences, United States Military Academy at West Point. Developed and Instructed Core and Elective Courses in Political Science:

Responsible for the planning, development, maintenance, and instruction of elective courses, and the overall academic development/counseling program for over 400 program majors, and administration of the Department of Social Sciences' academic program that serviced over 3,500 students per academic year—including core and elective courses. As course director of Research Methodology, I developed the program on quantitative analysis using advance statistical analysis to make policy decisions and program alignments.

Lecturer on Leadership, United States Military Academy, West Point, NY:
Developed lectures on leadership for the honors program.

Lecturer on Leadership, Terrorism and Homeland Security at Professional and Civic Organizations: includes the Sociology Department at California University of Pennsylvania, Mount St. Mary's College, Lion's Clubs, Masonic Lodge, Shriners, Kiwanis, Wheeling Fraternal Order of Police Association, and numerous university and corporate setting.

American Politics Academic Counselor, United States Military Academy, West Point, NY: Responsible for providing guidance and planning academic goals, objectives, and course planning for undergraduate students.

Elected Official of School Board, West Point, NY: Responsible for providing oversight, development and advice on education curriculum, and preventing school violence policy and school safety policy.

Member of the United States Military Academy's Speakers Bureau: Responsible for preparing and engaging in special speaking events to various organizations and clubs on homeland security, terrorism, and political, leadership, academic, and Veteran's issues.
