

Scholarship Application

Michael Keller Memorial Award for Non-Traditional Students

This annual non-renewable scholarship is awarded to a non-traditional student who is at least 30 years old and has attained at least a sophomore status. This scholarship is based on academic performance (3.0 QPA). **Interested students must submit a 250-word essay indicating educational and career goals, how he/she successfully manages responsibility that exist beyond academics, and how this award will be beneficial to the students' long-range plans. In addition students must submit two letters of recommendation. Scholarship application, essay, and two letters of recommendations are to be submitted to the Financial Aid Office by March 1 .**
